

## Summer Term Message from Mrs Phillips

Well not the start to the summer term we were all expecting but I hope you all managed to enjoy the Easter break and the sunshine. The special Easter video produced by staff and posted on the school website hopefully put a smile on you and your children's faces!!!

Following virtual staff meetings, we are planning learning going forward for all pupils but please do what you can, we understand these are difficult times. If you encourage your children to read, play a game on Sumdog and join-in a physical activity daily this would be great. Sumdog is now available to all classes and there are Maths, Spelling and Reading activities. It's a great way to learn without realising.

If you or your child are logging onto Teams, you will see that their class has a weekly overview of tasks. These are there to support your child's learning. Please do as many as is manageable. We know there are lots of other learning opportunities taking place so enjoy these as much as you can. There is no pressure to complete the whole week's grid.

Next week we will provide a fortnightly overview for RE, this will follow the Virtues – Faith filled & Hopeful and include prayers and Bible stories. I would ask you to please share these with your child / children, as our Faith is really important to us during stormy times. We have also set a Whole School Project on the Continents. This is a chance for children to work with siblings or classmates on a shared project. Again no pressure it seems a good opportunity to find out about the world.

Staff are available at points through-out the day to respond; we are going to trail times next week where we will be available for any queries or questions. This might change weekly, depending on the uptake from each class. It could change on the day if we have

other meetings to attend. So as of Monday 27<sup>th</sup> April staff will be available at the following times;

Nursery : Mrs Kehoe - 1.30-2.30

Mrs Donoghue 10-11

Reception : Miss O'Sullivan - 2.30-3.30

Some staff volunteered at Coety hub over Easter and now are back at Maesteg hub for emergency childcare so this is their working day and will not be available that day. Some staff check in to the school as is still a distribution centre for lunches. This will cease next Wednesday as BCBC are making other arrangements.

If you follow our Facebook page, we are telling a story daily. We are unable to put this on our Twitter page as the videos are too long, sorry. We also give a shout-out for Birthday's.

We are in talks with Llangrannog and Llain regarding residential trips for Year 5 and 6. If the trips are cancelled by the company there will be a full refund for parents. You will be contacted as soon as we know what is happening.

If you need to contact us, you can do so using the text service, Facebook page private messages or email Mrs Kelly-Fisher or myself
