Families & Staff hampers

# Christmas is nearly upon us

As we get ready to spend time at home with our families to prepare for the greatest gift – Our Saviour Jesus Christ, may I thank you for the wonderful term we have had.

All our children have settled into the school year very well and are enjoying their learning. Our staff are very much looking forward to continuing with preparing for the Curriculum for Wales and have some exciting learning experiences planned for the new term.

Year 1 will begin their Creative Schools Project with their Creative Agents – Sarah & Bill. More information will follow in the new year.

The Governors have asked me to continue as Acting Head and the role will be re-advertised in the Spring Term. It is my honour to lead our school for the present.

## Covid 19

**Covid 19 – Please can I ask you to continue to be vigilant with Covid symptoms and remind you that your child should not attend school and have a PCR test, if aged 5 and over, immediately, if they present symptoms. We are asked to protect the whole community from the effects of Covid 19.**

The staff & I would like to wish you and your families a Blessed & Holy Christmas.

May your hearts be merry & bright.

God bless you Mrs Kelly-Fisher

## KS2 Pupils & Parents

As you may remember, a few members of staff were lucky enough to visit the Scandinavian countries in past years. There is much research in these countries around children and their footwear in the classroom.

Children wear slippers in the classroom and around the school. I have also visited schools in Wales that have adopted this approach. After speaking to the children, we would like to trial this approach in the Spring Term. Please could you send in a pair of slippers that can stay in school in January.
